## EXPERIENCE

### PC Builder and Seller

#### My Business

**May 2022 – September 2023, Brampton, Ontario**

- Build computers by using cheap, pre-owned computer parts from third-party sellers, and then sell them for profit.
- Built and sold three (3) custom PCs during six (6) month tenure.
- Computers tailored to the customer's needs and organized a date for the customer and me to meet to build the computer.
- The most expensive computer ever built cost \$600 dollars promptly sold to a friend with a profit of \$300 dollars for parts and maintenance.

### Lawn mower

#### Work

**June 2023 – August 2023, Brampton, Ontario**

- Mowed the lawns of family friends, friends, and neighbors.
- Mowed each lawn for 15 dollars which took around an hour to do.
- During my period, I gained \$90 dollars for mowing lawns.

### Babysitter

#### Work

**May 2022 – September 2022, Brampton, Ontario**

- Provided ongoing care for two children aged 5 and 10, delivering a safe and supervised environment and ensuring the well-being of children during babysitting sessions.
- Spent around 6 hours per day with the children.
- The clients usually neighbors, relatives, or family friends.
- Awarded \$50 each time I babysat.
